

ILCS COMMUNITY SERVICE PROJECT

GOOD NEWS! This year our first grade students will get to complete 6-8 community service hours to Rise to Servant Leadership (the last letter in our leadership acronym ROAR). The past few years have halted so many service opportunities (while inspiring others); we are thrilled we get to actively challenge ourselves to bless others again. We know that many of you have service to others built into your family's schedule; you may have already completed several community service hours without even realizing it. For others, this will be an incredible opportunity to push yourselves out of your comfort zone. You have the next 8 months to carve out the 6-8 hours, due in early May. These can be completed all at once in one big project or spread apart into multiple smaller projects. Thank you for doing the best you can. Once the kids complete their hours, they will need to make a presentation that they will present to the class. The presentation should tell us about their community service project(s) and all about their experience. Pictures and drawings with labels and descriptions are GREAT! We look forward to seeing how our students give back!
